Dear Harold,

Thanks for all your letters and enclosures. Here's ~~xxx~~ your ~~xxxx~~ note of 12/31, with the requested record (#1980.530). Also, the Popular Photography article Patrick McCarthy seny both of us. Plus my latest newsletter. I don't expect to change your mind much about Lifton's book, but (as you can see from pp. 9-10 of the newsletter) I'm certainly not about to dismiss it.

I've heard nothing else from or about George ~~xxxxx~~ McMillan. I'll be on the alert.

You sent me a copy of FBI 105-3702-140, Legat Mexico, about a FOIA request. Yes, that's me. Has Mark Allen had a chance to go over that file? He might spot something.

With best regards to all,

PLH
